

Plimmerton School: Out of Zone Enrolment Applications for 2020

Enrolment at the school is governed by an enrolment scheme. Details of the scheme, including the 'Home Zone' are enclosed in this notice and are available on the school website.

Students who live in the home zone are entitled to enrol at the school.

Each year the board determines how many places are available for out of zone students in the following year.

The exact number of places will depend on the number of applications received from students who live within the school's home zone. Applications from out of zone students will be processed in the following order of priority:

- **First priority** - special programmes, not applicable
- **Second priority** - children who are siblings of current students
- **Third priority** - children who are siblings of former students
- **Fourth priority** - children of a former student of the school
- **Fifth priority** - children of board members or board employees
- **Sixth priority** - all other applicants

Applications for out of zone places can be made on the school enrolment form, which is available on the website or from the school office. Contacts for the school office are -
