

Taupō Bike Camp 2019 - Kaitoke

Week 3

Camp 1: Room 17 & 18

18th - 20th February 2019

Week 3

Camp 2: Room 14, 15 & 16

20th - 22nd February 2019

Dear Parents/Caregivers,

On the morning of camp parents will need to drop students off on the school field between 8:30am - 9am. Students will need to put their bikes in the 'drop off zone' (a coned out area on the field), put their gear into the car they are being transported in and then make their way up to the senior playground. If you are a parent bringing a trailer/helping with transport you will need to be at school at 8:15am so students arriving can load up their gear onto trailers and into your vehicles.

(Below is a table showing which car your child will be in going to and from camp.)

8:15 Trailer and transport parents arrive on school field and await bikes/gear.

8:30 Parents drop off students to school field with their bikes/gear so that it can be loaded onto trailers/transporting cars.

At 9am we will meet inside our own classrooms when the bell goes. Teachers will call the roll, organise transport groups, before setting off in cars to Kaitoke.

Remember:

- We have decided not to have a bike check at school as we believe based on the triathlon last year 'new' bikes don't need checking. However, if you are not sure then you are welcome to bring your bike before camp to be checked.
- Please make sure your child brings a healthy packed lunch to have on the first day.
- Although we are aware of students with medical conditions please let your teacher know about any additional information regarding medical issues/equipment that students need while on camp. Please hand in labelled medicines to your child's class teacher.
- Please limit children's gear to what is on the gear list (See Below) and double check your child has got the correct amount of food and cooking equipment to bring to camp.

Parents transporting students home from camp on the third day will need to be at the Kaitoke Campsite by 12pm, as we will be leaving at 12.30pm to go to H2O Xtream Pools in Upper Hutt (830-834 Fergusson Dr, Upper Hutt, 5018). Parents will need to be available to transport students to the pools and then back to school by 3pm on the third day. The field will be open for when you return to school.

Thanks,

Taupō Team

Camp 1 Transport Rm 17/18 (18th - 20th February 2019)

Transport to camp- groups may change on the way back

Car	I am able to transport:	I can provide transport for :	Who are we taking?
