**20 February 2019**

Dear Parents

As part of our digital devices strategy, the students in Mana syndicate will require headphones when they spend time on the Chromebooks so they don't disturb others in the class.

They can use headphones that are not being used around home or purchase some cheap ones from the [Warehouse](#) or [Kmart](#). We suggest that students do not bring in expensive headphones that could get lost or broken. We also encourage the students to use headphones that cover the ears rather than in-ear headphones as these can damage children's hearing. Please name any headphones you send in with your child.

If you have any questions, please feel free to contact your child's classroom teacher.

Yours sincerely,

**The Mana Syndicate Team**
