Show attending Thursday 26th September	Number of tickets	Price	Total
Matinee 1:15pm start			
Evening Show 7pm start			

We encourage all adults who are able to make it to the afternoon matinee to do so. As all the Plimmerton School children have seen the production we politely request that they do not attend the evening performance. This will free up seats for all the other friends and whanau to enjoy the performance. There will be a supervised childcare room available for any Plimmerton School children who you are unable to make alternative care arrangements for. (Sorry no preschoolers) Please book this through the office.
