

PANUI - NEWSLETTER - Week 2 Term 2, 2023

Mai e te Tumuaki - From the Principal

Kia ora whānau

Welcome to Term 2 and a special welcome to the four new tamariki who started with us last week. It is always a special occasion to start school and I am proud that we make the day even more meaningful by celebrating through Powhiri. This is a very special occasion for all involved and showcases Manaakitanga in action. It is a chance for our tamariki to shine and our school to come together to exhibit pride in our place and who we are. I truly thank everyone involved and for the amount of positive comments afterwards.

This term our school learning focus is Whitireiatanga - We Aim High. The learning across the term will be showcased via a night market at the end of the term. Throughout the learning journey students will work through many design phases in order to complete a product they are happy with and want to showcase and sell. This will be an outstanding experience for our tamariki and something that will enable them to aim high, celebrate and showcase their learning. They will also be demonstrating patience, resilience and digging deeper than what they first thought possible with their product creations. So watch out for many discussions around the table about learning!!

In the holidays you should have received your first HERO learning post about your child/ren! This is the start of the reporting we will be sharing with you. The aim is we involve you in the journey so you can see through the picture evidence of what your child can do, followed by a teacher comment that explains the level of learning measured against the NZ curriculum. Term two learning posts will feature a Writing, Reading and Maths report comment, followed up with a Parent/Teacher/Student learning hui. We are just debating whether the date we have the learning hui's are best suited at the end of this term or the start of term 3.

Lots of congratulations ... Congratulations to both Hongoeka and Taupō syndicates who held their swimming sports last week! It was great to see students aiming high and challenging themselves across different swimming disciplines. Next up is the Cross Country in Week 3, so we look forward to our students setting goals and working hard to achieve them, even if they are difficult.

Today Taupō Syndicate took part in a Careers Expo called "Inspiring the Future Aotearoa". It was a novel way of understanding a career pathway for them in the future and hearing from a mixture of experts in the field. We had 7 local role model's with vastly different backgrounds; Marketing, Marine Scientist, Scientist, Water Engineer, Manager, Arborist and a Builder. The students had 20 yes/no questions to ask the role models before they left the room. They returned in their work attire, shared their background and then the students rotated around each person learning more about their career and pathway.

At the end of Term 1 we said farewell to Adie Dott who had been teaching in Room 21 while Whaea Rebecca was on maternity leave. We expected nothing less than high standards and hard work from the students under her guidance and were not let down. We thank Adie for setting this classroom up for success, the guidance and wisdom shared during her three terms working full time. Adie will still relieve around our kura and be in Room 21 each Tuesday.

This term we welcome Mrs Ruzia Ataria to Room 16. Ruzia has a long history of success teaching intermediate students, and is looking forward to getting to know our tamariki and community. She is highly passionate about teaching, in particular; literacy, physical education, PB4L. She puts a huge emphasis on building a positive classroom culture and high expectations of her learners. Welcome Ruzia to our team.

Lastly, I wanted to also acknowledge a behavioural incident that happened in the last week of term 1 that resulted in a student from our school being suspended. I can't go into details however, I want to reassure you that our tamariki were safe and we have a range of processes moving forward to support the student and other students who find emotional regulation challenging. Any behaviour is a communication of sorts, so as a school we have been looking at ways we can support all students differently and in ways they can communicate their feelings and emotions instead of escalating into something difficult to control.

Until next time, continue to say hello at the gate or when walking past my office and thank you for raising the wonderful tamariki who call Te Kura o Tāupo home.

Chris Steffensen, Principal - Tumuaki

At the end of last term ten young artists joined mayor Anita Baker to unveil the vibrant artwork they had worked on last year with artist/teacher Margaret Tolland. The theme of the mural is Rail past, present and future and the students worked from old photographs and publications, as well as lots of imagination. The production of the mural was organised by the Plimmerton Residents' Association with support from KiwiRail, Metlink, Greater Wellington Regional Council. The mural unveiling also marked the completion of rail underpass works by the KiwiRail PACE project team. Library Corner

Great to hear about all the reading that our students have done over the holidays. The first week back of Term 2 was a short school week so instead of having a New Books display, we had a display dedicated to ANZAC Day. Mr Steffensen kindly lent the library a display of his grandfather's medals and pictures from WWII. I brought in my Great Uncle's medals from World War I and told students the story of why he enlisted and what happened to him.

Taupo syndicate are about to start their Friday chess sessions. There have been a lot of students practising. The library knock-out competition will take place in Term 3.

Students will have brought home Issue 3 from Scholastic Book Club. Scholastic has apologised for the delay in getting out some of the Issue 1 orders. They changed their warehouse system which resulted in many unforeseen problems and delays. They have also reverted back to the old magazine style format for Issue 3 and have confirmed that 30% of the products in this issue are priced \$10 and under.

Issue 3 orders must be made by **Friday 12 May. Orders must be made online.** The school office will not accept orders. Simply log-in to mybookclub.scholastic.co.nz and click ORDER in the top menu (or REGISTER first to save your details for next time). You then select Plimmerton School and your child's class. Add your child's first name and last initial, and the item numbers from the catalogue. If you have any problems, either see Sarah in the library or contact scholastic at bookclub@scholastic.co.nz; phone: 0800 266 525. All orders will be sent to school for collection and will be delivered to the classroom. If you are ordering books as a gift and would prefer to collect them from the library, then please let me know and I will set them aside for you. Thank you for your support.

Students have also been given a Hell Pizza Wheel each. This is completely optional but is an initiative by Hell Pizza to encourage reading for Year 1 - 8's. Once 7 books have been read and signed off, students need to get a stamp from the library and then take their completed wheel to Hell Pizza (with an accompanying adult). They will receive a free child's size pizza.

Don't forget to check out our library catalogue - <https://nz.accessit.online/PLM03>. Encourage your child to search for books and also to click on some of the links on our catalogue to assist their research projects.

Happy reading,
Sarah
