26 February 2019

Dear Parent/Caregiver

PARENT DONATION 2019

The Plimmerton Board of Trustees is committed to providing a high quality learning environment for all students. To do this, we need to supplement Ministry of Education funding with locally raised funds.

The Board asks, as in other years, that you make a donation for the 2019 school year. Donations are used to improve teaching and learning resources for students. This includes extra teaching support so that students can benefit from smaller class sizes and extra teaching assistance for students with learning and behaviour needs.

The donation level for 2019 is \$150 per child with a \$20 discount (per child) if paid by 31 March 2019. Donations may be claimed on personal tax returns and receipts will be issued by the School Office.

Payment in one lump sum as soon as possible would be greatly appreciated. Alternatively, the donation may be paid by term instalments or by monthly direct credit payments. Please contact the School Office to arrange this. Payments may be made by Eftpos or Direct Credit (12-3478-0062343-00). Please include your eldest child's name and "school donation".

Thank you for contributing to our students' ongoing achievement.

Melanie Swallow
CHAIR, BOARD OF TRUSTEES
