Dear Parents and Caregivers

**Re: Technology Centre – consumables and materials fee 2021**

Throughout the year your child will cover a range of Technological Areas as defined by the NZ Technology Curriculum at the Plimmerton School Technology Centre. To help cover the cost of consumable materials and exercise books, pupils are asked to pay \$70.00 per year. The fee covers approximately 40 lessons and the end product belongs to the student.

Please complete the form below and return to the class teacher as soon as possible. Please also indicate your preferred payment option - eftpos or parent account.

Thank you

Yours sincerely

Mike Forrest  
Principal/Tumuaki

---

Please detach and return to your child's classroom teacher
