

## PANUI - NEWSLETTER - Week 8 Term 3, 2023

### *Mai e te Tumuaki - From the Principal*

Kia ora whānau

In each newsletter, I try to be thankful for (and share) some of the many wonderful things happening at our Kura. This newsletter is no different.

Firstly I want to acknowledge 16 of our parents and 8 of our staff who have undertaken an intensive 20-week Te Ahu o te reo Māori course. For me, this was an incredible 20-week experience learning alongside members of our community. This was a beautiful example of how a school should work, in unity with our community, learning together - **E tū kahikatea hei wakapae ururoa. Awhi mai awhi atu. Tātou tātou e.** Stand like the kahikatea tree to brave the storms. Embrace and receive each other. We are one together.

Thank you to everyone who was able to participate, learn, laugh and grow together! We hope to be able to offer this opportunity again next year so will keep you all posted.

This year the Ministry of Education has changed the way schools must plan, prepare and report their strategic goals, vision and direction. Te Whakangārahu Ngātahi Planning Together for Ākonga Success: Our School, Our Community is a new process that supports BOTs to engage with their communities to seek guidance about the aspirations the people in these communities have for the learners at their schools. Without your support, feedback and willingness to contribute, this exercise would have been a simple tick-box exercise. Instead, you have given our kura some clear and concise feedback about what you believe is important and we will act on that.

You should have received a document that briefly explains some of the decision-making around the aspirational direction of our kura for the next two years. The reason it is two years is to realign schools with the triannual BOT elections. In short, the Strategic Plan will focus on three areas; the learner, the staff and the community. On a one-page document we will outline the aspirational goals the community, the school and the learners value as important. Sitting behind this is the 'business as usual.' This is the Annual Implementation Plan that has the more thorough and outlined measures and steps the staff will take to achieve the goals.

Thank you to everyone who has already given feedback on the document and returned it to the office. We are working hard now to ensure you as a community clearly understand our pathway, our decision-making and importantly are involved in our kura. A partnership that involves whānau, kaiako and tamariki. Speaking of which, I have included a link to the summary of the Health/PE Curriculum Consultation that was sent to whānau earlier this term. ([Summary](#)).

Lastly, good luck to the All Blacks, “Up the Wah’s” and best wishes to anyone finishing their final rounds of sports this weekend. Enjoy the sunshine!

Nga mihi

**Chris Steffensen,**  
*Principal - Tumuaki*

## Onesie Day

Today was Onesie Day! Students and staff donned their favourite onesie, pyjamas and oodies for the day in support of Wellington Free Ambulance. Wellington Free Ambulance are the only ambulance service in New Zealand that provide a free of charge service for callouts in Wellington, Kapiti and Wairarapa. They receive some funding from the Government but everything else is covered by the fundraising they do. Each year Wellington Free Ambulance aims to make \$250,000 through their Onesie Day appeal. Today we raised just over \$590.00 in gold coin donations which will go directly to Wellington Free Ambulance via the school's [Onesie Appeal fundraising page](#), where further donations can be made.

## Wellington Maths Association - Mathswell Competition

Mathswell is an annual competition run by the Wellington Maths Association that aims to promote the enjoyment of Mathematics and also challenge students. Students from years 5 to year 11 are invited to participate in teams of 6. This year Plimmerton School entered two Year 7 & 8 teams and two Year 5 & 6 teams. Prior to the competition all the teams spent time working with Keely Machmer-Wessels on a variety of maths problems. The competition is broken into two sections. The first is multi-choice and the second is problem solving. The team of 6 is split into two groups of 3. Each group of 3 works together to solve either the multi-choice questions or the problem solving tasks. After a break the groups swap over and do the other section.

## AIMS Games

Asher Thomas, Plimmerton School Year 8 student, took part in the annual AIMS Games in Tauranga this week competing in individual swimming races. There were over 400 swimmers competing - over half of these in the 12yr age group and everyone had to qualify to compete - the first session lasted six hours!

Asher got gold in the 12yr boys 50m Breaststroke - achieving a new 12yr boys Wellington region record of 33.50 seconds (and PCA Club record) - it was an incredible swim. Asher also got a Bronze in the 12yr boys 100m Breaststroke (also a new PCA club record) and one other top 10 placing (8th in 12 yr boys 200m Breaststroke) along with 5 PBs in his 9 swims.

## Parumoana Interschool Swimming Sports - Results Corrections

Corrections from Friday's newsletter for Parumoana Swim Sports:

- Charlotte Thiebaut won the 25m backstroke (not 2nd as indicated)
- Maxx Tannatiu 3rd (not 2nd)
- Molly Percy 4th (not 2nd) in backstroke, 5th (not 4th) in butterfly

## Market Day - Hongoeka Product Orders Ready for Collection

If you ordered any of the beautiful products from our Hongoeka syndicate on Market Day these items are now ready for collection. You can pay by Eftpos and collect from the office anytime between 8.30 - 3.30pm.

## Library Corner

Rugby fever is upon us. Go the ABs.

It has been another busy week in the library - celebrating Tongan language week and also looking at our new book selection which has encouraged discussions on fair trade, the civil war in Syria, the 28th Maori Battalion and the building of the Auckland Harbour Bridge. Our younger students have enjoyed the picture books “Dick the Delightful Duck” and “My Bum Is So Cheeky”.

There were 16 entries in the library’s persuasive essay writing competition. The winning essays will be announced next week. Due to popular demand, the library will also be running a round-robin chess competition for Hongoeka and Taupō syndicates. If students want to sign up for this, they need to give their names to either Sarah or Trish by the 16th September.

Next week is Māori Language Week. We have some new books coming into the library that will assist staff and students in learning new kupu (words). You might like to practise with your child - He mātanga koe ki te pānui e mara! (You’re an awesome reader!).

Please remember to check out our library catalogue - <https://nz.accessit.online/PLM03>.

Happy reading,  
Sarah

AOTEA COLLEGE  
HOCKEY

# PLAY HOCKEY

## AOTEA COLLEGE HOCKEY OPEN DAY

**SUNDAY 17 OCTOBER, 10AM | ALL YEAR 8S WELCOME**

Aotea College Hockey is holding an Open Day on Sunday Sept 17<sup>th</sup> from 10am-11.30am at the Aotea College Turf for all year 8's who would like to play hockey in 2024 or would like to 'give it a go'. This is a player lead initiative. Year 8's will meet some of our Aotea hockey boys and girls who will take them through some fun skills and drills followed by games.

For health and safety reasons, all parents and caregivers coming along to watch will be asked to stay outside the turf fence.

- Sticks supplied
- Mouth guards recommended.

## New fares coming 1 Sept, under 13s now qualify for free travel!

Metlink is introducing new fares, with new concessions for children and young adults from 1 September 2023, bringing the 'half price fares for all' to an end. You can apply for this new concession from **26 August** through the [Snapper portal](#).

The new fares were part of the Government's Budget 2023 announcement, to help alleviate financial burdens on families and make public transport more appealing across New Zealand.

### What's Changed for Under 13 (5 to 12-year-olds)?

- Children aged between 5 and 12 will be able to travel for free anytime on Metlink buses, trains and ferries\*
- Free fares for bus and trains are only available to children who have applied for the Under 13 Free Pass and have it loaded on their Green Snapper card. These free fares are NOT accessible to those paying by cash on buses and trains.
- Although the fares are free, children are still required to tag on and tag off the bus using their Green Snapper card.
- 5 to 12-year-olds with a Free Pass on their Green Snapper card cannot tag on other customers.
- Free fares are available on the ferry using all forms of payment including cash and EFTPOS

*\*Some exclusions apply (including Metlink on demand services and Te Hunga Whaikaha Total Mobility taxis) and concession discounts are based on the full adult fare with applicable discount during off-peak hours.*

### Applying for the Free Pass

- You can apply for your Free Pass on your Snapper card at [Snapper.co.nz](https://snapper.co.nz) or by calling Metlink Contact Centre on 0800 801 700 from 26 August.
- The pass expires 180 days from its first use - once it expires then the Green Snapper card defaults to the child fare. You will get a 7 day countdown on the Snapper card readers (bus and train) to remind you the pass is expiring.
- It is recommended you keep a balance on your Green Snapper card to avoid the card being blocked if a default fare is incurred due to failing to tag off at the end of your journey.

You can also find out the best fare for the rest of your family by using the [Fare Selector Tool](#) on the Metlink website.

Detailed information about the new fares and on how to apply for them can be found on [Metlink](#) and [Snapper](#) websites. Additional support and assistance is available on 0800 801 700.
