

PANUI - NEWSLETTER - Week 6 Term 4, 2023

Mai e te Tumuaki - From the Principal

Kia ora whānau,

As you know, we were closed for a (Ministry instructed) Teacher's Only Day on Monday. It was a full day of learning, thinking and, importantly, a day of Whakawhanaungatanga (growing connections). We invited all kaimahi (workers) from our kura and also had the new staff for 2024 join us. The day was full of designing and understanding what our learning Principles, Pedagogies and Practices will look like and how we will work towards this in 2024. With the design and development of our local curriculum and a forward-thinking, future-focused learning design, our kura will become the most innovative and progressive kura around. And feel free to quote me on that! We will have students at the centre, high support for our kaimahi and look forward to working in reciprocal partnerships with the community and whanau.

We are already seeing growth in our roll and are attracting high-calibre teachers for vacancies. The BOT has been working diligently on the Strategic Plan and liaising with staff for feedback and input. This is nearly finalised and will be shared, and explained before the end of the year. The most pleasing aspect of this plan is that the community has a voice, the staff have a voice, and the last piece of the puzzle happens next week when our tamariki have input and voice.

2024 Classes

In the last newsletter, I had said we hoped to let tamariki know which class they would be in for next year today (Friday). We still need to make a few more tweaks, and as the roll continues to grow, we need to keep updating our lists, so this won't happen today.

Instead, the students will find out on Friday next week and then spend the afternoon with their teacher for 2024. Your child get a piece of paper with a picture of and information about their teacher for 2024 to bring home. Students will spend three afternoons (weeks 7,8,9) building relationships with their 2024 class and kaiako. The focus during this time is on Whakawhanaungatanga and making connections with one another.

As we welcome new staff, Molly Baxter, Grace Macrae, Mackenzie Batchelor, Phil Morris and Demelza Murrihy-Topp, it means we farewell others. Andy Tate, Lisa Cowley, Holly Williamson, Loutje le Grand, Ruzia Ataria and Brooke Sutherland.

Andy Tate

Andy will finish up at the end of the year after spending 10 years at Plimmerton School, working across a number of different age levels and for the last few years being the Team Leader in Taupō Syndicate. For anyone lucky enough to have spent time with Andy, they know he is an 'ideas' person. If he can imagine it, then it will happen! This includes the much talked about Go-Kart racing karts, one which still hangs from the roof of his class! Andy is a super generous and caring person who has impacted the lives of everyone he has come across.

Lisa Cowley

Lisa gets a mention each year as she often takes on the roll growth new entrant classroom. This year was slightly different as she started with us and kept her classroom until the end. Anyone lucky enough to have their children in her class knows she is one of a kind. She is kind, caring, compassionate and a fabulous teacher. She certainly sets up our tamariki for success. But don't worry, we won't be losing Lisa... she will be back later in 2024 when we start up a new classroom!

Holly Williamson

Holly joined us this year as a beginning teacher on a fixed-term maternity leave contract for 2023. Holly blew us away at her interview with her bubbly personality, love for learning and background of life experiences unparalleled by her peers. Holly has learnt an amazing amount about teaching this year and is taking her skills a little closer to home for next year. Holly has proved to be very kind and caring and will always go above and beyond what is asked of her. In her second term with us, she planned and organised the entire Taupō Social! Holly will be a shining light in her new kura and we thank her for starting her teaching career with us.

Loutje le Grand

Loutje is another who joined us on a maternity leave contract. Loutje has spent the year working with our year 2 students and established a wonderful connection with her class and syndicate. Loutje has a passion for learners with diversity, so she looks at different ways to encourage and connect with these students and adapt her learning programme to enhance their experiences. We know Loutje will enjoy her new kura, especially as she will be able to bike to and from it!

Brooke Sutherland

Brooke took up a short-term contract with us while returning from maternity leave. Brooke brought 6 years of experience in intermediate teaching with her and built strong relationships and a hard-working culture for the learners of Room 17. Brooke's high energy and enthusiasm will be missed by us next year but will benefit the students at her next kura in 2024.

Ruzia Ataria

Ruzia answered an SOS call in term 2 to cover the large shoes left by Naomi. Ruzia worked full-time in Term 2 and then part-time/job sharing for the remainder of the year. Ruzia is passionate about teaching and learning and went about ensuring the children in Room 16 had high expectations of themselves and others. Ruzia always tried to prepare the learners in this room for college and to look at learning opportunities and life choices from different perspectives.

School Donations

Each year, the donations received from our school whānau make a huge difference in what we can offer our students. The school donation is voluntary, so thank you to those who have already contributed this year, we are very grateful for your continued support. More information and payment details can be found on the [school website](#).

Library Corner

If your child has come home this week asking if you're hoof-hearted, blame the latest picture book addition to the library - *The Stinky Wonky Donkey* by Craig Smith.

The annual library survey is underway where students and staff have the opportunity to make suggestions about how our library can improve. We currently have 159 completed surveys. If you have any comments or suggestions, then please email them to me by the **30th November** (sarahs@plimmerton.school.nz).

For some of our students and staff, 2023 will be your last connection with Plimmerton School. The gift of a book with your family's name inscribed inside the front cover is a wonderful way for us to remember you. We have put together a wish list of books that we would love to have. Just click on this link and you will be directed to The Children's Bookshop. Choose your book, add to cart and then proceed to checkout. Make sure that you select "Click and Collect" and add "For Plimmerton School" in the notes. You will then pay for your book (the click and collect option ensures that postage is not added).

<https://www.thechildrensbookshop.co.nz/wishlists/plimmerton-school/share>

I will collect all books from The Children's Bookshop at the end of the year (and early next year for those on back-order). You may have another book in mind, so please email me or search the catalogue first to ensure that we don't already have it. Thank you so much for your support.

Please remember to check out our library catalogue when searching for books in our library and also to keep up to date with all the latest library news - <https://nz.accessit.online/PLM03>.

Happy reading
Sarah
